“Parents have become so convinced that educators know what is best for their children that they forget that they themselves are really the experts.”

Marian Wright

Today, more than ever, you have resources to help guide your children and, thus, the opportunity to instill in them the belief that they can accomplish any task they want.

The people at Skoolee™ have designed a suite of web-based tools for parents like you to make sure you have up-to-date information about your children’s progress and to interact with their teachers, principals, and other member of the school community.

A practical, easy-to-use module you access over the Internet, Skoolee™ meets the needs of parents and students of multilingual schools in the Middle East and North Africa.
